When FBI agent Cole Gregory is called to his bureau chief s office and recruited for a special task force called WRAITH, he is confronted with the commander of the force, a handsome, enigmatic man named Levi who makes Cole feel restless and uneasy. The two men tell him an unbelievable tale of a world beyond our own, a world where Fairies and Demons rule, and where Fae and Paranormal creatures exist and sometimes cross over to our world to interact with humans-the Vargr Realm. They ve known about our world for thousands of years and are attracted to humans. WRAITH is a special Vargr task force established to retrieve those of the Vargr Realm who travel between the dimensions unlawfully and to neutralize any human witnesses who come in contact with these travelers. While all this is hard enough to believe, even more difficult to ignore is the way Commander Levi looks at Cole, as if he wants to consume him. When Levi changes into a powerful demon right before his eyes, Cole begins to wonder if he ll even survive this encounter, or will this demon take possession of not only his body but his soul?.
