Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Diane Doheny lost her husband in 2007. She wrote *The Other Side of the Door* to chronicle her journey through grief and into a new existence. In this inspirational memoir, Diane envisions her husband's death as a door. On one side was life with her beloved Terry, filled with joy and laughter. Even after Terry was diagnosed with multiple myeloma, an aggressive bone cancer, they made the most of every moment. Then, Terry passed away after a heart attack, and that door slammed shut. On the other side, Diane faced a daunting expanse—a future without her husband. Could she bear to move forward with her life? Could she find happiness on this side of the door? With God by her side, she found the courage to create a new life while still remembering and honoring what went before. Now, through her writing, she shows readers how her faith helped her to handle her loss and give herself permission to find joy once again. In *The Other Side of the Door*, Diane reaches out to all those confronting their own doors. She hopes that she can provide some hope to those coping with their own losses that happiness will return.
