Reader Feedback: This story held me! I loved the twists and turns of Elizabeth and Darcy s lives as they grow up. It was a wonderful P P variation. I would highly recommend this to any and all JAFFers! In fact, she becomes so close that Lady Anne Darcy considers her to be a second daughter. Elizabeth grows and learns with the Darcys, experiencing all that society has to offer, including the delights of the season, the benefits of fortune and society, and the love of a family. And guard your daughters and wives, for his depravity will not distinguish between matrons and young...
