## METAL TRANSPORTERS: VOLUME 69 (HARDBACK)

Elsevier Science Publishing Co Inc, United States, 2013. Hardback. Condition: New. New. Language: English . Brand New Book. This volume of Current Topics in Membranes focuses on metal transmembrane transporters and pumps, a recently discovered family of membrane proteins with many important roles in the physiology of living organisms. The book summarizes the most recent advances in the field of metal ion transport and provides a broad overview of the major classes of transporters involved in homeostasis of heavy metals....

## Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotonny at at any moment of your own time (that's what catalogs are for about should you request me).*

-- **Cale Hansen Sr.**

*Merely no phrases to spell out. I am quite late in start reading this one, but better then never Your way of life period is going to be enhance once you complete reading this publication.*

-- **Joanie Hamill I**

*Certainly, this is the very best work by any writer. It is loaded with knowledge and wisdom I am just quickly will get a satisfaction of reading through a created publication.*
