## Gordon Conway: Fashioning a New Woman (American Studies)

By Allen, Raye Virginia; Goetzmann, William H. [Foreword]

University of Texas Press, 1997. Paperback. Condition: New. xv, 304 p., [16] p. of plates : ill. (some col.) ; 28 cm. Softcover. Good binding and cover. Clean, unmarked pages. Gordon Conway became an illustrator for Vanity Fair at the age of twenty and an accomplished fashion artist. She went on to an illustrious career in design that encompassed publicity campaigns for Broadway musicals, costume and set designs for cabaret in Paris, and the management of the first autonomous costume department at a major British film studio. Throughout her career, Conway lived the life she portrayed in her art, combining a cafe and cabaret social life with hard work and a reputation for never missing deadlines. This record of Conway's career, drawn from extensive archival materials never before published, underscores the role that women played in creating the image of the flapper or New Woman of the 1920s, as well as the limits of their influence. This book will be important reading for everyone interested in fashion, design, film and stage history, and Jazz Age society.

### Reviews

*The book is great and fantastic. It is probably the most remarkable pdf i have got read through. You can expect to like the way the article writer compose this ebook.*

-- **Mr. Ethel Schmeler**

*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
