Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just a quick trip to the bank, Amanda Delaney thought. Whatever could go wrong? Everything, it seemed! Amanda hadn't expected to come face-to-face with a masked thief with hard, angry eyes, much less get tossed up on a horse in her pale lace dress and go galloping madly out of town to - who knew where? What would her brother think when she didn't return on time? Her heart beat madly in her throat. What on earth would happen to her now at this vile outlaw's hands? She was totally at his mercy. Would she even survive the day? Trace Logan didn't know what force on earth made him pick up that pretty blonde gal he found practically at his elbow and toss her up into his saddle as if she belonged there. He must have been loco to entertain such a foolish notion amid all the gunfire going on around him. But, though he regretted the hasty act almost as soon as he accomplished it, he was powerless to change his behavior. The moment he saw her, he had to have her. even though this beautiful angel might spell his death. When the bullet hit him, he knew he had made the worst mistake of his life!.
