Dawn Pubns. Paperback. Condition: New. Cathryn Falwell (illustrator). 32 pages. Dimensions: 10.7in. x 8.7in. x 0.3in. Arrow-shaped footprints lead a young backyard naturalist to a flock of funny-looking birds with big strong feet: Wild Turkeys! Once nearly extinct, these comical critters now gobble their way across North America. Follow Jenny through a year of enchantment as she shares her discovery of these wonderful birds. Gobble, gobble! Jenny wrote a journal, too, with lots of fascinating stuff about a distinctly American bird. Although it once numbered in the millions, wild turkeys nearly disappeared with overhunting and habitat destruction, but are now making a comeback. The illustrations are block prints over collages. The collages are made from cut and torn paper plus all sorts of things from nature bark, leaves, feathers, even wasp nests! The author also offers tips for children to make their own cut-paper pictures and how to keep a nature journal. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
