

## The A Tale of Nine Centuries: The Story and Spirituality of the Le Cheile School Trust (Paperback)

By Una M. Collins, Sean Goan

Columba Press, Ireland, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Le Cheile story stretches from the thirteenth to the twenty first century and from the United States of America through Italy, France and England to Ireland. It is a story which includes the fascinating lives of a young thirteenth century nobleman challenging heresy, a nineteenth century American mother providing schools for England's young girls, a young bishop learning how to provide Catholic education in an impoverished penal Ireland, and an Anglican nurse in the Crimea converted by the faith of dying Irish soldiers. Each of the fourteen stories is compelling; each one a personal story of a courageous response in faith to the immediate needs of context and time.
