Nail Your Novel is a writing buddy - and mentor - in a book. In 10 easy steps it will tell you: *how to shape your big idea and make a novel out of it *how to do your research and how to use it *how to organise your time *how to plot and build characters *when you re going to hit problems and what to do about them *how to write on the days you don t feel inspired *how to reread what you ve written and polish it.
