One of the first things that you notice about Scorpios are their eyes; they will be very intense and totally hypnotic. Infact, many people find it very difficult to stand steady under a Scorpio s constant gaze. His eyes seem to be penetrating your soul, knowing your deepest secrets and desires. The truth is, more often than not, they are. Scorpios have a big ego. They know what they are and what they are not. It doesn t matter what you think about them. If you ask a Scorpio for a favour, it will be either a simple Yes or No , not something like I will try . If he really likes you, he will go out of the way to help you. You never have neutral feelings for a Scorpio; you will either be amongst his dedicated admirers or malicious enemies. However, no one challenges him openly, not even the most spiteful enemy.
