LACE MAKING (HARDBACK)

Read Books, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This early work is a fascinating read for any needlework enthusiast or historian. Simple instructions and designs for making many kinds of lace including needle point, pillow lace, netting, knotting and tatting. Extensively illustrated with drawings and diagrams forming a complete how-to guide. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
