*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. With each step I eased down a hallway filled with grand arches. A swanky red carpet led to the meeting area, where men waited for their dates. We exited the undressing room as if we were at a Hollywood premiere. New York Times bestselling author Eric Jerome Dickey returns to a character he created in his celebrated novel of erotic daring, *Pleasure*. Four years have passed in the life of Nia Simone Bijou, and she is approaching the height of her artistic powers. A film she has written is poised for international success, the studio is eager for a sequel, and the media are fascinated by her work. Yet her imaginative mind is wandering. Though Nia is much desired--by the mysterious, often unavailable international businessman, Prada, with whom she enjoys unprecedented attraction; by the fit local veteran, Brett, who puts her through her paces, most often during grueling road training sessions--her first love, Chris, is never far from her thoughts. When Nia receives an invitation to the exclusive pleasure palace known as Decadence, her romantic world gives way to an abundance of sensory experience she could never have imagined. Even as the Hollywood premiere of her potentially career-changing film approaches, she is drawn further into this forbidden lifestyle. Under the influence of glamorous, sensuous new friends, Nia abandons all caution, and her ability to balance truth and fantasy becomes increasingly blurred. Will her relationship with Prada survive countless temptations? Will her professional achievements be given over to impulsive indulgence? Does decadence know any bounds? Eric Jerome Dickey's newest tale of excess--and its sky-high costs--is a thrilling portrait of a glittering world.
