Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Math Games includes 33 instructions for math games to use with elementary school-aged children that you can Make at Home. These math games use materials found inside your home to make fun games that parents can use to strengthen their child s math skills and build strong, positive attitudes toward math. The math games are designed for you to have fun with your child while reinforcing mathematical skills. Most games are designed for 2 or more players. Finding solutions for families who are actively involved in their children s learning is a continuing source of inspiration for Math Games in a Bag. Research proves children whose families read to them, help them with homework, talk to their teachers, and participate in their learning in other ways have a tremendous advantage in school and in life. Playing games can help children develop decision making and mental math skills. There are many games sold commercially, such as board games that involve patterns and probability. Playing games such as counting games and games that keep score are great ways to help develop math skills. Games require children to use strategies to make decisions, solve problems, and develop an understanding about numbers and how to use them. This book includes instructions for 33 math games for families with elementary school-aged children to Make at Home. These math games use materials found inside your home and also make learning experiences out of everyday routines, such as ordering from a restaurant menu or putting gas in your car to check the kind of mileage you are getting. The math games are designed for you to have fun with your child while reinforcing mathematical skills. Most games are designed...
