Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The 12th devotional book by Jim Head has us look again at the Christmas account or the birth of Jesus, the Christ. The greatest story ever told is the one about the King of Glory coming to earth in human form. Here is the really great part, it is not a story, it is history. For those that call upon the name of the Lord for the forgiveness of their sins, this is where it starts; the Nativity. Scripture tells about the coming of the King , His earthly parents, and His birth, but I believe it speaks even more to us. Read the Nativity account again to see what else it might be saying and to remember what Christmas is all about.
