Alfred Music, 2001. Paperback. Condition: New. Language: English . Brand New Book. Through the years, children have loved fairy tales and stories of enchantment. This piano book helps late elementary and early intermediate students learn to play expressively by creating images in their minds and communicating those images through their performance. Audiences will clearly hear and feel when students are imagining a huge fire-breathing dragon walking with heavy steps to the castle to capture the princess! A great escape for students-and fun for teachers, too.
