Brand New Book ***** Print on Demand *****.Excerpt from The Riddle of the Universe: Being an Attempt to Determine the First Principles of Metaphysic, Considered as an Inquiry Into the Conditions and Import of Consciousness The object of this work is a Metaphysic which, stalking naked, but not ashamed, among current iconoclasm, shall proffer a definite, though necessarily tentative, solution of The World-Riddle. Circumstances favouring, it is proposed to expand this solution in the course of a series of works. The procedure adopted in this Prelude has two main aspects. In Part I. is presented a critical survey of the great landmarks in the History of Modern Philosophy, with a primary reference to their bearing on metaphysical (as opposed to merely psychological and other) inquiries. We cannot cope adequately with modern problems unless at least this portion of the intellectual past is with us. In the golden words of Hegel, the history of philosophy in its true meaning deals not with the past, but with the eternal and veritable present; and in its results resembles, not a museum of aberrations of the human intellect,...
