Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Take Your Poker Game To The Next Level With Poker Math! Are you new to poker? Have you been playing for awhile? No matter if you re a new beginner or you ve been at the tables for months now, you can take your game to the next level with poker math. It s not as difficult it seems. Once you learn these simple calculations, you ll be ready to dominate the competition and pile up more money. Look at what just a few people are saying about this book already: I ve read other books designed to simplify poker math and I ve counted outs, calculated pot odds, figured out my equity against a range - and gotten it all completely wrong because I didn t work it all out from every possible angle away from the table. After reading this book and doing the work involved, I have a confidence and knowledge at the table that I never had before. -Bibi This will make you a force at the tables, and your wallet will thank you. Besides, as a friend of mine likes to say, winning is just way more fun! -Mary What an awesome book! Easy to read lots of solid concepts explained well. I really enjoyed how it explained to calculate pot odds, which will be invaluable in my future tournaments. This book breaks the fundamentals down into easily digestible nuggets of wisdom for easy mastery. -Kyle Using easy to understand language, this book is straightforward and to the point. No fluff, just pure poker knowledge. BONUS includes a probability chart for easy memorization and tracking. Also includes specific hand situations for easy practice! These new...
