Arbordale Publishing, United States, 2012. Hardback. Condition: New. Susan Detwiler (illustrator). Language: English,Spanish . Brand New Book. Los felinos grandes son depredadores feroces que vagan el mundo desde las montanas hasta los desiertos. Como es que estos gatos salvajes que cazan para comer pueden ser iguales a los gatos domesticos que pueden perseguir a un raton o a una bola de estambre? De que maneras son diferentes? La secuela galardonada anteriormente a este libro Un Lobo Aulla, les ensena a los ninos a contar y presenta los meses del ano mientras observan el cambio en las estaciones. Tambien, les presenta los dias de la semana mientras viajan a siete diferentes habitats para conocer a los felinos grandes, y de regreso a casa para comparar y contrastar el comportamiento de los gatos domesticos con los que son sus parientes. En este libro, los felinos grandes incluyen al tigre, guepardo, leon, onza, puma, jaguar, y gato montes.
