Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When political correctness barnstorms California s backcountry, a charismatic young cowboy can only watch in shocked disbelief as the girl he was about to marry falls head over heels for a fast-talking politician who knows how to use ideology to get hold of people s minds before grabbing their land. The politician has no problem brainwashing the infatuated girl into helping him label the heartbroken cowboy s blues as a deliberate antisocial behavior harmful to his fellow men - thus forcing him to repent and make amends by taking a government job that packs him off straight into a dicey undercover action in a hostile faraway land that calls for the ultimate self-sacrifice to make political correctness back home look noble.
