Court Street Press, Albania, 2001. Paperback. Condition: New. Language: English . Brand New Book. Analyzing his own writing and that of his teachers, and reflecting on the writing advice he had been given over the years, Carroll Dale Short s epiphany was the recognition of a dozen practical fundamentals of good writing. As one would expect from the author of *The Shining Shining Path* (available from NewSouth Books), the book is also fun to read. Drawing upon example after example, Short reveals the shortcuts and techniques of strong writing, providing easy ways to use transitions, enhance narrative sequence, and spice up dialogue. Reading this tool kit will improve any writer, from expert to novice.
