An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Paperback. Condition: New. 55 pages. A collection of poetry by author Faizaan Fahsal. His works explore the true nature of humans, and ponder upon the existence of our very souls, and a passionate journey through varied emotions experienced in human life. It voices from the pain of loneliness and yearning of heart for love to the radiance of such idealism that can transcend all pain and sacrifice all joy for the sake of service above self. It glorifies the innocence of romantic love to the height of divinity and then breaks all barriers of individualism to mingle itself with universal love. This tale of poems worships the strength of youth power, their ardent passion and their invincible courage which is capable of perishing all injustice from humanity. On one hand it speaks of the beauty of friendship, love, hope and purity of the child in us and on the other hand, it reveals the ugliness and evils that exist in our society and tarnish this beautiful earth of ours.
