Dover Publications Inc., United States, 1998. Paperback. Book Condition: New. Gustave Dore (illustrator). New impression. 274 x 201 mm. Language: English . Brand New Book. The witty verse morals that Perrault included in the original edition (often omitted in later reprintings) are retained here in verse translations. This edition also includes 34 extraordinary full-page engravings by Gustave Dore that show clearly why this artist became the foremost illustrator of his time. Along with the collections of Andersen, Lang, and the Brothers Grimm, this volume is among the great books of European fairy tales. These stories have been enjoyed by generation after generation of children in many countries, and are here, with magnificent Dore illustrations, waiting...
