Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Lola: Or the Thought and Speech of Animals It is hoped that this little work may assist in the search along the dark path upon which many a poet and - in later times - many an investigator has set his feet. It would not be worthy of us, whom science and technical ability has raised to so high an intellectual position as explorers of Nature in every field - should we neglect anything however trivial, deeming it as beneath our notice. We know so much about all that lies around us: the manner in which the cells build our bodies; how the juices circulate within the plant. We feel Nature to be ensouled, to be a spiritual entity - and yet - it is only her corporeal life with which we are intimate. Therefore let us now turn our eyes to new horizons, so that the human spirit may be in a position to extend its search, doing so with knowledge and understanding. What is imperative is that we should investigate to what degree...
