Candlewick Press,U.S., United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. When a family has to leave their house and move to a small apartment, it s hard to let go of things--but having one another is what counts. Almost everything Callie s family owns is spread out in their front yard--their furniture, their potted flowers, even Callie s bike. They can t stay in this house, so they re moving to an apartment in the city. The new place is small but nice, Mom says, and most of their things won t fit, so today they are having a yard sale. But it s kind of hard to watch people buy your stuff, even if you understand why it has to happen. With sensitivity and grace, Eve Bunting and Lauren Castillo portray an event at once familiar and difficult, making clear that a home isn t about what you have, but whom you hold close.
