Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.This is author Marion TD Lewis s third book about American real estate mogul and billionaire presidential candidate Donald J Trump. This particular book is a series of questions what would Donald Trump do if intended to provoke conversations. The author does not provide the answers. The intention if for the reader and their friends to take turns imagining the scenario and penciling in their own answer at the foot of the page. So basically the book is a board game without the board.
