

I Survived Metastacised Melanoma Cancer!: Hope for Melanoma Sufferers

By Frank E Burdett

Balboa Press, United States, 2012. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I know the importance of the individual experience of metastacised melanoma cancer, because it is a very special journey. People are prone to forget, such as when one forgets they have a finger, until they hit it; people also forget they have a life until it is very seriously threatened. The worst sentence in this world that a doctor can pronounce is, I am sorry, but the medical profession can do nothing further for you. This work explores how my wife, Jeannie, who was my home caregiver, and I travelled the cancer journey together. The journey was not the same for Jeannie as it was for me--it was my melanoma cancer, but I was Jeannie s husband, and therefore the stress was that much more for her, as she never knew what further stresses she had to face. This book examines the strengths of our relationship, despite the difficulties of living on an island. It is interesting how we were aware of these difficulties, and yet we worked through them. Then came the details of how the...
