Rare Bird Books, United States, 2014. Paperback. Condition: New. Original. Language: English . Brand New Book. I will fly at last. I will unfold my wings. I will unpack my head. I will step back outside. One day I may even make love again. But one thing at a time. Let s not get ahead of ourselves. Film mogul, aviator, addict, inventor, visionary, recluse, serial womanizer, political meddler: Howard Hughes was one of the strangest and most significant figures of the twentieth century. His obsessive-compulsive disorder would end up crippling and isolating him; in the end he self-medicated his way into oblivion. It s a summer night in 1973, and holed up in his hotel penthouse in London, Hughes can t sleep. Tomorrow he takes control of an airplane for the first time in more than fifteen years. As the reclusive, drug-addled billionaire waits for dawn, the shape and preoccupations of the times emerge from his ruined psyche; a world of oil, flight, money, movies, drugs, sex, power, greed, fear, and yearning for America. Blackly funny, muscular and rhythmic, transcendent and debauched, God of Speed is a fever dream, a giant and extraordinary leap of the imagination into the fractured mind of a man who was both great and greatly fallen.
