

## Pharmocracy II: How Corrupt Deals and Misguided Medical Regulations Are Bankrupting America-- And What to Do about It (Hardback)

By William Faloon

Axios Press, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. Our healthcare system is irretrievably broken, and now it is devastating the US financially. Pharmocracy II, like its predecessor, Pharmocracy, uncovers egregious FDA incompetence, abuse, and corruption. This is an agency that is serving its corporate clients, the big drug companies, not the public. This book also shows how information about natural therapies from food and other natural sources is censored to support drug company profits. Over-regulation causes lifesaving medications to be delayed or suppressed altogether, and makes consumers pay inflated prices for FDA-approved therapies that are only minimally effective and often dangerous. A reform of this crony capitalist healthcare system, Faloon argues, would spare Medicare and Medicaid from insolvency, allow small businesses to start hiring and giving raises again, and significantly improve the health of the American public. Pharmocracy II presents factual evidence and irrefutable logic to support a complete overhaul of today's broken healthcare system. It lays out a plan of what to do and how to do it. If the plan is followed, it will not only vastly improve American health. It will rescue the American economy. Since 1980, William Faloon and...
