Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually.

STORY OF THE 1ST BATTALION CAPE CORPS (1915-1916)

DOWNLOAD

Naval Military Press, United States, 2014. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.South Africa's Cape Corps was composed of Cape Coloured personnel who volunteered to serve in the Great War. Virtually unknown outside South Africa, the Corps is probably now almost forgotten even inside the country. This book, therefore is an important record of a historically interesting formation that - given the country's racial divides - was more important for the men who served rather than their deeds. The book contains a great deal of biographical information about these volunteers, many of whom are shown in captioned photographs. This is a superior genealogical source as well as a rare source of information on South Africans in the Great War. Appendices, Roll of Honour (KIA, DOW and WIA), Honours Awards (all ranks) and a list of former officers while on detached service complete this excellent history.
