## AN ANGEL FOR EVERYONE (PAPERBACK)

iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Every body talks about angels but people who have seen them and know they exist are scared to relate them lest others think they had lost their minds! As time goes on, many people have experienced supernatural things that cannot be explained. Psalm 34 says that we all have an angel! The people in this book are well documented, healthy folks who have seen unusual things. They are not kooks but have seen the proof of the Almighty God in action. Many people go to great lengths to worship strange spirits. God is a Spirit and He is not strange! He sends His angels to reassure us that He is there for us at all times. When the reader becomes aware that His presence is with them now and forever it will give them a strong sense of security and peace.
