Naval Military Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Home Guard, familiar to us all from the antics of Dad s Army on the TV, in fact performed a deadly serious role - guarding infrastructure and communications, and releasing the regular Army for more front-line work. It is a story of amateurism transformed into increasing sophistication and better weaponry; and a professional and patriotic dedication to often humdrum duty that united Great War veterans with youths awaiting the call-up to the regular forces. When they were finally disbanded in November 1944 the Home Guard deserved the thanks of a grateful nation that they had truly served and helped to save.
