Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

(Mr. Jeramy Leuschke IV)

LE VENTRE DE PARIS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Texte original. Au milieu du grand silence, et dans le desert de l avenue, les voitures de maraichers montaient vers Paris, avec les cahots rythmes de leurs roues, dont les echos battaient les facades des maisons, endormies aux deux bords, derriere les lignes confuses des ormes. Un tombereau de choux et un tombereau de pois, au pont de Neuilly, s etaient joints aux huit voitures de navets et de carottes qui descendaient de Nanterre; et les chevaux allaient tout seuls, la tete basse, de leur allure continue et paresseuse, que la montee ralentissait encore. En haut, sur la charge des legumes, allonges a plat ventre, couverts de leur limousine a petites raies noires et grises, les charretiers sommeillaient, les guides aux poignets. Un bec de gaz, au sortir d une nappe d ombre, éclairait les clous d un soulier, la manche bleue d une blouse, le bout d une casquette, entrevus dans cette floraison enorme des bouquets rouges des carottes, des bouquets blancs des navets, des verdure debordantes des pois et des choux. Et, sur la route, sur les routes voisines, en avant et en arriere, des ronflements lointains de charrois annoncaient des convois pareils, tout un arrivage traversant les tenebres et le gros sommeil de deux heures du matin, bercant la ville noire du bruit de cette nourriture qui passait.
