Baker Publishing Group, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Many churches harbor harried congregations merely going through the motions--sleepwalking saints who fail to experience transformed living. Many are unable and unwilling to share the gospel, convinced that it s not their gift. True disciples do more than the minimum, explains Hull. They choose the life and commit to bringing Jesus to the lost. They live out their beliefs and walk the walk. Submission shows the doubting world that Christ is embedded in their character. Choose the Life is a practical tool as accessible to laypeople as ministry leaders. Any church seeking life-changing significance will be challenged by this cutting-edge resource. No hand-holding here, Choose the Life shows church members how to take individual responsibility for both being discipled and discipling others.
