

Current Research at Kueltepe/Kanesh: An Interdisciplinary and Integrative Approach to Trade Networks, Internationalism, and Identity (Hardback)

Filesize: 2.54 MB

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

(Mr. Dashawn Block MD)

CURRENT RESEARCH AT KUELTEPE/KANESH: AN INTERDISCIPLINARY AND INTEGRATIVE APPROACH TO TRADE NETWORKS, INTERNATIONALISM, AND IDENTITY (HARDBACK)

Lockwood Press, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. The material remains and the more than 23,500 cuneiform tablets unearthed at the site of Kultepe (ancient Kanesh) shed light on social, political, and economic aspects of the Middle Bronze age (ca. 2000-1700 years BC) in central Anatolia, but also in Upper Mesopotamia. The rich textual record provides ample information on a very sophisticated supraregional market economy, representing one of the best-documented historical cases of long-distance trade in the ancient world. Although the site was first excavated in 1893, followed by intermittent excavations between 1906 and 2005, modern scientific and interdisciplinary excavations have only been undertaken since 2006. The new scientific research at Kultepe-Kanesh has already begun amassing new data and providing us with a unique opportunity to generate new perspectives and to challenge previous models and assumptions about, for example, trade, colonialism, ethnicity, art, religious ideas, identity, and patterns of social, political, and economic organization in the Near East during the Middle Bronze Age. A primary goal of this special volume is to integrate the work of scholars in archaeology, archaeometry, bioarchaeology, geoarchaeology, and history to develop a new synthetic research paradigm for investigating issues of trade, colonialism, ethnicity, art, identity, and urbanization in the Near East in a unified fashion.
