Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Juvenile Lessons: Or the Child s First Reading Book* The Compiler of the following work has no other apology for adding to the numerous reading books already before the public, than his conviction that a book of this grade is still needed. In making this compilation, one great object has been to select simple and interesting lessons, - consisting mostly of short and easy words, - his experience as a teacher, having shewn him that the frequent recurrence of long words is a great hindrance to children in acquiring the habit of reading with facility. They are discouraged, - not only on account of the difficulty of reading them, but they are in great danger of losing their interest in the lesson itself, from not being able to understand the meaning of the words. The Compiler acknowledges himself greatly indebted to the *Juvenile Miscellany*, a work which should be in the hands of every young person in the country; many other juvenile books have been consulted, but in all cases the utmost freedom has been used in altering and arranging the pieces to suit his plan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
