Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Lanthorn, 1919, Vol. 22 They go to do more. They go to prove that they are the soldiers of a great Republic whose people are civilized. They go to write it into history that humanity, mercy, and justice have their place in war as in peace. They go to victory, in which the despoilers of the homes of noncombatants shall be punished, the monsters who deflower women shall die wretchedly, the inhuman wretches who condemn noncombatants to slavery shall pass under the rod. They go to compel the Huns Who have violated all law, divine and human, to drain to the dregs the bitter cup of sorrow they have pressed to the lips of the weak and the innocent. They go, God s own avengers of the unspeakable suffering of the people of Belgium, Northern France, Poland, Serbia, Rumania, and Armenia. As they march. Unseen in the clear air above them are the spirits of the American mothers and babies that perished in the roaring sea, murdered in the Lusitania. They go to cleanse the earth of the men who began by violating treaties and have progressed by violating the common promptings of humanity which have been held sacred even by the red Indians of America and the black tribes of Africa. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
