### ***Reviews***

*This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, Quantum Poetics: Newcastle/Bloodaxe Poetry Lectures, Gwyneth Lewis, In this innovative series of public lectures at Newcastle University, leading contemporary poets speak about the craft and practice of poetry to audiences drawn from both the city and the university. The lectures are then published in book form by Bloodaxe, giving readers everywhere the opportunity to learn what the poets themselves think about their own subject. Gwyneth Lewis's three lectures explore the connection linking form and politics with the content of poetry while exploring how each of these changes our understanding of time. She argues that the poet steers a path between making music and making sense - not at the level of the line, but in the deep structures of meaning which are poetry's terrain. The accuracy of what they say is just as important as its expression, both for their own well-being and for its worth to the reader. Taken together, her lectures begin to posit not the science in poetry but a science of the art form. 'The Stronger Life': Much has been made of the volatility of poets, which is largely a myth. Because it can be "confessional", poetry is often assumed to be therapeutic, but it can, equally, be toxic. The lives and work of poets are distinct but not unrelated. Using examples from Laura Riding and George Herbert, Gwyneth Lewis argues in this lecture that poets are more, not less resilient than the rest of the population. Looking at her own modern epic, *A Hospital Odyssey*, she questions how form is essential to health. 'What Country, Friends, is This?': Using *Illyria* in Shakespeare's *Twelfth Night* as a starting point, this lecture explores language politics and writing, describing how far poets will go to negotiate safe passage between...
