HarperCollins Publishers Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Emma Cane welcomes you to Fairfield Orchard, Where new love blooms and romance is always in season. For Amy Fairfield, the family orchard is more than a business. With its blossom-scented air and rows of trees framed by the majestic Blue Ridge Mountains, it s her heritage and her future. But right now, it s also a headache. Putting a painful breakup behind her, Amy has come home to help revitalize Fairfield Orchard. She doesn t have time for the handsome-distracting-professor who wants to dig into her family s history for his research. Jonathan Gebhart knows he needs the Fairfields cooperation to make his new book a success. As for Amy-nothing in his years of academia could have prepared him for their sudden and intense attraction. He doesn t want to complicate her life further, especially since she seems uneasy about his poking around in the past and he knows he s not the sort of man built for forever. But some sparks can t help but grow, and Jonathan and Amy may just learn that unexpected love can be the sweetest of all.
