Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

FOUND IN TRANSLATION VOLUME 2

WestBow Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Found in Translation Volume 2 offers an innovative approach to Bible Study by immersing readers in the word choices of the biblical texts. While the first volume was devoted to the New Testament and its Greek word choices, this new volume focuses on key texts from the Hebrew Bible, digging into the background and meanings of the original Hebrew words. Rhonda K. Kindig, an experienced educator and scholar, has penned a collection of devotional essays that bring to light the deep and resonant messages embedded in the selected Old Testament passages. The forty-seven essays are crafted in a conversational style that quickly draws the reader into the Scriptures. Each begins with a passage, moves into a reflection upon its message, and then concludes with another verse that amplifies the point. Found in Translation Volume 2 provides some additional tools and resources: a summary of the books of the Bible, a timeline of biblical events, a plan for matching the devotions to an observance of Lent, a Lenten countdown calendar, indices of scriptural references and vocabulary, and a compendium of helpful resources. Whether you have a beginning Bible reader s curiosity or the appreciation of the Bible s riches that comes with the passing of years of study, Found in Translation Volume 2 will help you unearth the treasures that lie beneath the inspired words that come together in life-changing ways to form the texts of the Bible.
