Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Published by Dostoyevsky Wannabe. Tracing an uneasy/all too easy path between the financial derivatives market and the derivative poetics of post-flarf, Listening to Emily s Sassy Lime, Again is an elegy for the slacker (a)politics of Generation X. Or maybe it s just a vacuous, insubstantial book that fails to make any important comment on contemporary society via the preferred 19th century register of the poetry mainstream. Or is it just a book about fancy coffee and rock n roll? Or maybe something to do with obscure Riot Grrrl bands of the 1990s? Why not buy it, read it and find out.
