Xlibris Corporation, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Nine years in the making, author Billy-John releases through Xlibris his new book Come after Me. The stirring narrative is all set to entertain readers as they get wrangled into doing whatever s necessary to be of service; flashlights seen sweeping the passages in their effort to help the heroine, Susan Parble, whose life s sultry drama forms the spline of the story. Wise in the ways of the world, Susan puts away her childish things, including coning off the boy next door. And he s not liking it either! So without the appeal of buff, his BLING so immature, Jeff takes matters in hand, but quickly learns his inventions, spiteful actions of a cast-off lover, are no match for the new man in her life. Fooled into believing her new career is on the up and up, Susan soon wants off the merry-go-round, out of porn, but not without him-the heartstrings now yearning for a different guy. And if that s not love than somebody better tell her what is!-Because her enflamed brush is only splashing out happy clouds now, her ecstasy so controlling that she s not wanting to make mention of the cougar whose mature experience and seduction are all so sweet on the same flame-further fraught with the tissues of lies a meddling aunt has revealed in anger. So paramount a think up of dark behavior here, that its readers exhibit unpreparedness; falling on them is what s beyond what is marked out-the truth! Will Susan be blessed every step of the way and succeed in life and love or will the deprivation shake her trust and be so wantonly wowed that she s left coupling without ever...
