LEAN PRODUCTION: IMPLEMENTING A WORLD-CLASS SYSTEM (PAPERBACK)

Industrial Press Inc., U.S., United States, 2008. Paperback Condition: New. Language: English. Brand New Book. The concept of lean production is not new, but the challenges of dramatic change management often stymie business leaders trying to put lean operations into place. This newly-revised and greatly expanded volume aims to provide a readable, real-world roadmap for putting into place the indispensable strategy and tactics managers need to make lean work and move their organizations - whether manufacturing or service-based - toward...

Reviews

The publication is easy to read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
