Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a day full of excuses about why we can t reach people, it is great to read a book written by somebody who knows we can. Reaching your Community for Christ, by Dr Daniel Haifley combines the doctrinal and practical (which is rare for a book about personal evangelism). It is innovative without advocating being worldly to reach people. I strongly recommend it. Dr. Phil Stringer Ravenswood Baptist Church, Ill Reaching your Community for Christ is a book that is a book that is biblically sound and will challenge the Christian reader to be busy about their main purpose on this earth. While it is a practical book, the passion of its author will stir the reader to do his part in fulfilling the Great Commission. I highly recommend this book. Pastor Darrel L. Flaming Calvary Baptist Church, IN.
