Simple Kanban for Software Development Teams: Implementing Kanban Using Scrum and Other Agile Techniques

By Dan Tousignant

Cape Project Management, Incorporated, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This participant guide contains the slides and exercises for a two-day Kanban training. This training takes the concepts of Open Kanban and combines them with other best-practice Agile techniques to deliver a complete Kanban implementation approach. While not as prescriptive as Scrum, Kanban provides an evolutionary approach to improving your software development processes. Please use the Look Inside feature from Amazon before purchasing. These manuals which are part of the Agile Education Series developed by Dan Tousignant are the participant guides used in his public, onsite and virtual training classes worldwide and are intended for those readers who are aspiring Agile trainers, Scrum practitioners, or those interested in previewing the courses. These guides are not stand-alone training materials, but are for those people interested in reviewing a well-designed, comprehensive Agile curriculum. These courses have taken hundreds of hours to develop and are constantly being improved upon and republished. Recently, the guides have been republished to include the exercise handouts and have also been published in color format to be seen on a Kindle Fire or...
