

## The Waters and Fires of Avalon (Paperback)

By Christopher Penczak

Copper Cauldron Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. In August of 2011, members of the Temple of Witchcraft took part in a sacred pilgrimage to the British Isles to visit the sacred site of Glastonbury Tor and the Chalice Well. They stayed at the Chalice Well House and performed nightly rituals in the garden to connect and work with the energies and spirits of this sacred site, long associated with the legendary Isle of Avalon. Now join them through this collection of remembrances and records of their rituals, meditations, and insights at the Red and White Wells, the Tower of St. Michael, Stonehenge, Gog Magog, the Uffington Horse, and other sacred sites. The Waters and Fires of Avalon features the work of renowned Witchcraft author and Temple founder Christopher Penczak, and all profits go to support the work of the Temple, a 501(c)3 religion nonprofit.
