

## Die Freiheit Des Alters: Ein Vorsichtig Optimistischer Kartierungsversuch

By Helmut Schreier

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: German . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This essay deals with new issues of the ancient business of getting old. The author draws both from books and from biographical experience. Topics include these challenges: - Medical progress makes us live longer, sometimes against the sufferers own wishes: What procedures are provided to navigate these issues at the present time? - Increasing longevity gives us the chance for continued intimacy and love, and the development of new forms of sexual gratification. What are these? - To deal with loneliness, we may accept nature s invitation for companionship, at the same time cultivating a changing community of friends. How do we stay away from becoming ever more isolated? - There is a way to stay forever young, even with the destruction of our bodies by old age. How do we manage to participate in social life while our own group of people is getting smaller and smaller? - In the end, we might find the distance to counterbalance engagement with our selves that philosophers call Gelassenheit. Montaigne, in his Lukrecian essays, may guide us towards the kind...
