Beauchief Abbey Press, United Kingdom, 2013. Paperback. Book Condition: New. 204 x 144 mm. Language: English . Brand New Book ***** Print on Demand *****.The Broad Church tradition in the Church of England owes much to the mid-19th century pioneers F. D. Maurice, Charles Kingsley and F. W. Robertson. Their vision was Biblical, Evangelical and Catholic with a strong sense of the role of the National Church in seeking to bring every aspect of public and private life in England and Wales under the lordship of God. John Rogerson is an Anglican priest and international authority on the Old Testament. This edition of five short lectures provides a fascinating exploration of the history and theology of the Broad Church movement, showing its deep relevance to the life and mission of the Church today.
