

The Intelligent Woman's Guide: To Socialism, Capitalism, Sovietism and Fascism

By Bernard Shaw

Alma Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Intelligent Woman's Guide: To Socialism, Capitalism, Sovietism and Fascism, Bernard Shaw, As a Fabian and lifelong socialist, Shaw believed that economic inequality was a poison destroying every aspect of our lives. Family affections and relations between the sexes were perverted by it. From Parliament to education our institutions were "corrupted at the root by pecuniary interest". Idealism, integrity and piecemeal attempts at political reform were all futile in the face of the gross injustice built into our economic system. And because a capitalist economy could never function smoothly, private property was not merely a form of robbery, but robbery with violence.

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
