Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Tomorrow s Lawyers predicts that we are at the beginning of a period of fundamental transformation in law: a time in which we will see greater change than we have seen in the past two centuries. The third part focuses on the prospects for aspiring lawyers, predicting what new jobs and new employers there will be, and equipping prospective lawyers with penetrating questions to put to their current and future employers. This new edition has been fully updated to include an introduction to online dispute resolution, Susskind s views on the debates...
