Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hide and Play Dead is not a book to be read. This book is to be experienced. This book is an unfolding adventure story that you will not want to put down for a minute. You will be emotionally moved and sometimes shocked as you read the writer s memoirs. You will enter his intimate life history starting nine generations before his birth and up through his current real-time adventure of self-healing while writing. This book will engage you. Whoever you are-- whatever your age, gender, personal background, racial identity, sexual orientation, vocation or social class-- you will strongly relate to some parts of this book. This book will begin to heal you. The book is structured to evoke the emotional states necessary to recover from oppression and teach by example the survival skills needed to stay safe from social predators. OVERVIEW Hide and Play Dead is a memoir and nonfiction novel that represents a quantum leap in writing technology, healing methodologies, and social engineering. The autobiographical work is interwoven with a real-time adventure story about my liberation from ancestral patterns...
